

Sit back and relax while our naturalists point out the interesting and unique:

- Natural features
- Wildlife
- Historical details

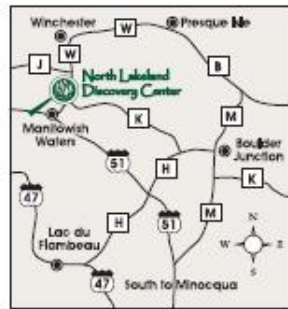

No worrying about mapping routes or gassing up the boat. Just focus on the fun stuff.

Great photo opportunities for:

- Landscape and Water
- Wildlife and Birds

Enjoy endless opportunities for  
wildlife sightings, including eagle, osprey,  
loon, otter, deer, wolves and bear.

www.DiscoveryCenter.net  
(877) 543-2085

## Turtle Flambeau Scenic Waters "The Crown Jewel"

Pure, clear, sparkling water and vast wilderness with over 20,000 acres and 200 miles of undeveloped shoreline. The area is a result of the 1926 construction of a dam to create a reservoir.

The reservoir now encompasses nine lakes, three rivers and several creeks. In 1992, the site was designated a protected wilderness area, securing its rugged beauty and unspoiled wild character for generations to come.

## Wildlife Viewing

The Turtle-Flambeau Scenic Waters Area offers an abundance of opportunities for wildlife observers.

The flowage is known for its high density of bald eagles, osprey, and loon, is home to black terns, trumpeter swans, and over 150 other bird species. Up to 30 nesting pairs of loon use the area each year.

In addition, a variety of reptiles, amphibians and mammals, including deer, bear, and wolves are found here. There are even occasional moose sightings.

## Pontoon Tours

The Center offers weekly three-hour guided pontoon tours, June to September.

Dates and times vary, and can be checked online [www.DiscoveryCenter.net](http://www.DiscoveryCenter.net) or by calling (877) 543-2085. Advance registration is required. Tour pick up and drop off are at Fisherman's Landing (directions available online), and offer a wheelchair accessible boarding dock, toilet building, and ample parking.

Life jackets and binoculars are provided or bring your own. Don't forget your camera, the views are absolutely outstanding!

Private tours available for up to ten people. Please contact us to arrange a time or for more details.

## About Us

North Lakeland Discovery Center is a community-oriented environmental learning center that promotes stewardship of the region's natural and cultural resources.

The Center provides outdoor education programs, recreation opportunities, events and facilities that encourage lifelong learning and create a sense of community and personal wellness.

## Our Story

We give people a place to explore, a place to learn, and a place to play.

Our 63-acre campus within the 240,000 acre Northern Highland State Forest in Wisconsin's Northwoods includes:

- More than 12 miles of wooded, lake and riverside trails for skiing, hiking, snowshoeing and biking.
- 17-station self-guided interpretive trail with state-of-the-art bog boardwalks.
- Sand bottom, shallow-entry swimming beach.

Property leased from the Wisconsin DNR.
